SHANNON MADE IT EASY

We had a great experience working with Shannon and her team! From the first time we met with her, she told us exactly what to expect in each step of the mortgage process. Our financial situation was particularly special because we were moving back to the US after living in South America for two years; however, Shannon made it really easy for us to apply for a loan and secure a beautiful home in Georgia. We also liked using their ReadyLoan portal to upload documents containing sensitive information as well as e-signing any required documentation. We strongly recommend going with Shannon and her team at BankSouth for your mortgage!

SIMPLY THE BEST IN THE BUSINESS

Shannon and her team are simply the best in the business, and part of that is how they really take the time to explain everything to you and make real recommendations based on your own situation. I learned an incredible amount about the buying process by working with her and we came out with exactly what we were looking for and more. Thank you!!

INCREDIBLY HELPFUL & RESPONSIVE

Shannon was incredibly helpful and responsive from the moment I reached out. She walked me through the process one step at a time and was always happy to answer any questions I had. I felt taken care of through the mortgage application process and always knew what to expect next; I sincerely appreciated all of her assistance.

CLEAR & CONSISTANT COMMUNICATION

We appreciate the consistent and clear communication that we get from Shannon. She does a good job thoroughly explaining the options at hand or what to expect from the process. We could always count on her to follow up and keep us on track in the home buying process as well. We appreciate Shannon for her business intellect, but also because we trust that she would do anything she could to help us be successful.
