

A Smarter Way to Share Your Business Anywhere, Anytime

Without the Tech Hassle

LOOKBOOK@LINK

All-In-One. Always Ready. Built for Business.

With LookBookLink, you get a mobile-friendly page that works like a website, a digital business card, and a lead capture tool—all in one.

- ✓ Just \$50 per year per person
- ✓ Optional Team Memberships available
- ✓ No apps to download, no tech skills needed

Why Professionals & Teams Love It:

Always On-Brand Add your logo, photos, videos, contact info, social links, and more—all beautifully laid out in one shareable link.

Built to Convert Add downloadable content (like PDFs, videos, or guides) that require contact info to view—perfect for generating leads.

Easy to Update Log in anytime to update your info, swap out content, or add new calls-to-action—takes just minutes.

Team Dashboard Available Launch a team or company membership for just \$50 per year. From your Team Dashboard, you can lock brand elements (like logos and messaging), push updates to all members instantly, and keep your entire team consistent, compliant, and current—without the heavy lifting.

Perfect For:

- Any Size Businesses
- Entrepreneurs & Salespeople
- Speakers, Coaches & Consultants
- Real Estate, Mortgage, Insurance & More

LookBookLink helps you showcase your brand, capture leads, and stay ready to do business—all with one simple link.

I'm Eric Ellis, founder and CEO of LookBookLink.

Here is my LookBookLink. Feel free to reach out to me with questions.
