Lynn Wallace is a hard-working professional who stops at nothing to make sure her client is secure in the selling or buying process. Lynn answers every question and advocates in the best interest of her client. She is amazing and a pleasure to work with.

Christina Hamilton ★★★★★

I love Lynn, she is an amazing agent, but most importantly, an amazing person. Thank you for all your help and knowledge shared during the process of finding me my first home! Highly recommended! 😊😊

Susan Dozier ★★★★★

Lynn helped us find the perfect home for us! She listened to our needs/wants and even in this market, with a slim selection of homes available, she found our perfect home! She was there for us answering all of my many questions. She also negotiated a great deal for us. This could not have been an easier process. If there were more stars I would click them all she deserves at least a 10 star rating!

Thanks Lynn! You're the BEST!!

Lynn was the absolute best to work with. She helped me buy my beautiful new home and sell my old home. During both the buying and selling process, Lynn made sure we were getting the best. Lynn would also show up on any whim to help us tour any house we found. I cannot recommend her enough.

Our realtor, Lynn Wallace, went over and beyond her responsibilities to ensure we had a great experience!!!! We even used her for my parents sell of their home as well! I plan on using Lynn Wallace for all of our real estate needs in the future! She loves real estate. We can see and feel her passion!!!

Lynn is both savvy and a top notch professional. She sold a property for me in the past year and she always went to bat for me every step of the way. She's personable and has a talent of navigating you thru the process. I had such a good experience that I have now recommended her for a doctor friend who is relocating here! She will not disappoint!
