

# Imagine if your business cards were **DIGITAL, TOUCHLESS, AND ALWAYS WITH YOU?**

## Your best first impression awaits...

88% of paper business cards are thrown out within a week. LookBookLink is much easier to share and you never have to print more or worry that you don't have it handy when someone asks for your card.

- ▶ Set up is quick and easy
- ▶ May be shared via Custom Link, or QR code.
- ▶ May be bookmarked or saved to mobile home screens
- ▶ Enables viewers to add contact info to mobile or computer address books with one-click
