Our pricing is as follows:

Membership option #1 - Individual Member: \$50 annual membership, no other fees. Make yours in minutes.

Membership option #2 -Enterprise Set Up: One time \$999 set up fee and \$50 per user annually (same fee as individual users) Employees may pay the annual user fee or the enterprise may choose to. either option is available.

Why the Enterprise set up fee? We provide and **Enterprise Control Panel** allowing your company to have a company-wide LookBookLink Template for brand control and unity. Your LookBookLink Enterprise Template lets you to pre-design the look of your Company LookBookLink for your team or employees. you can give permissions as to how much you allow team members to personalize their individual LookBookLink. Employees can't change or delete anything from the company template, they may add content to sections that are permitted by the company to personalize.

Let me know if you need any help or if you have any questions. Thanks as always for your friendship and support!
