DORSEY ALSTON
REALTORS®

The Beery Cummings Group was started by Molly Beery and Cia Cummings in 2020. As two successful Realtors, Molly and Cia recognized an opportunity to serve a broader market without compromising their personal approach to real estate. As a result they added four talented, experienced and smart women- Anna Adams, Jean Bird, Mallory Holt and Shelly Blanchard-Loftus.

Market knowledge, personal service and strong inter-broker relationships enabled us to serve more than 65 clients with over \$50M in sales in 2020.

We are skilled at navigating the home buying and selling process from pre-listing to closing and we work alongside our clients to make sure their best interests are met. As a team, we work tirelessly to find our clients their dream home whether it is on the market or quietly listed. All of our clients receive million dollar service and marketing no matter the price point.

We know our clients are making life-changing decisions and that's why it's important to hire someone they can trust to have their best interests in mind every step of the way. We are known for our boots-on-the-ground, present and proactive work ethic as well as our ability to be flexible and creative--committed to serving each of our clients to the best of our ability.

We have lived in Atlanta for decades and care deeply about our city and the people in it. This passion for our city, coupled our values, knowledge and experience has made us the #1 Large Team at Dorsey Alston since 2018.
