

HERE'S WHAT OUR CLIENTS HAVE TO SAY

"Working with Jana was absolutely great! We moved from out of town and she took a lot of time with us via the phone and email so that when we came in town for a few days we were able to be productive on hikes that met our needs. She made the process very easy and was extremely knowledgeable about all of the towns, neighborhoods, etc.... She listened to what was important to us and made the appropriate recommendations. Even after the purchase she was still available for additional questions and consultation. It would be hard for me to believe that there is a better choice in the Greater Atlanta Area - thank you so much, Jana!! "

JASON & CARRIE GACA

"Jana is an outstanding agent who I've used to transact several (10-12) real estate activities over the past 15 years. She always gives excellent advice and delivers solid results."

WILLIAM & STEPHANIE ELLENBERG

"Jana was a tremendous partner to my wife and I as we sold and purchased homes last year and has remained supportive well beyond both of those processes. Among all real estate professionals I've worked with (both residential and commercial), she is in the top 1% without question - she has an undeniable passion for finding the right answers for her clients, a patience that creates calm in stressful situations, and an integrity that is second to none. I have recommended Jana to several people (both family and business colleagues) and she has been outstanding in every instance. Highly recommend!"

"I've used Jana in 3 buying/selling of homes and have known her since 2000. Easy to work with, exceptional eye for detail, extremely attentive to your tastes/ideas, knows the real estate laws/market, incredible negotiator, tenacity at the proper time/place and overall ease of handling our needs."

"Jana not only helped us maximize the sale of our first house, but greatly assisted us with a difficult negotiation with a For Sale By Owner property we had fallen hard for. The result was securing the house at favorable terms. Fast forward 12 years later we hired Jana again to help us sell and move and we cannot imagine using anyone else."
