How Much Are They?

Closing Costs
=
2% to 5% of the
Total Purchase Price
of a Home

Example:
A \$363,000 home
=
\$7,200 to \$18,200
in closing costs

Closing costs can vary, and you'll need to work with your lender in the process.

As you're getting ready to buy a home, it's important to plan for the fees and payments you'll be responsible for at closing. Let's connect so I can answer your questions about the homebuying process.
