

Your Local Guide To

JOHNS CREEK

NATURE AND PARKS

- **Autrey Mill Nature Preserve:** This 46-acre nature preserve offers scenic walking trails, historic buildings, and educational programs for all ages. Explore the lush woodlands, observe wildlife, and connect with nature in this peaceful retreat.
- **Newtown Park:** A sprawling green space featuring sports fields, playgrounds, and picnic areas. Take a leisurely stroll around the lake, play a game of tennis or volleyball, or simply relax and soak in the beauty of the surroundings. Bring your furry friend to check out the off-leash dog park.

DINING AND SHOPPING

- **Johns Creek Town Center:** A gathering place for locals and visitors alike, offering a welcoming environment where people can shop, dine, and socialize. Whether you're meeting friends for coffee or enjoying a leisurely stroll, the town center provides a sense of community and connection.
- **Medlock Bridge Shopping Center:** Indulge in a culinary adventure at its diverse selection of restaurants, cafes, and food trucks. From international cuisine to classic comfort food, there's something to satisfy every craving.

FAMILY FRIENDLY FUN

- **Cauley Creek Park:** Let your little ones burn off some energy at Cauley Creek Park, a family-friendly park featuring playgrounds, walking trails, and open green spaces. Pack a picnic, bring along a frisbee or soccer ball, and enjoy a day of outdoor fun and relaxation.
- **Spray Parks and Splash Pads:** Beat the summer heat at one of Johns Creek's spray parks and splash pads. Cool off with interactive water features, splash pads, and water slides, providing hours of fun for kids of all ages.
