

MEET YOUR REALTOR, MANDY MURRIN

Hi, I am Mandy Murrin, an award-winning Realtor with Atlanta Communities. I reside in and serve the North Atlanta area, and there is no other place where I would rather live, work, and spend time with my family.

My family and I started a not-for-profit organization called Fuzzy Foot Farms, LLC, where we donate fresh chicken eggs to local food banks and churches. I have always felt called to a life of service and helping others.

It always comes back to serving others, so I got into Real Estate. Real Estate is all about building relationships that last. My clients have become friends and family, and that's the highlight for me. It's an honor to provide a concierge level of service for every client. My passion is to make real estate dreams come true by helping people achieve something they never thought was possible.

I have been a Licensed Realtor and Certified Residential Appraiser for over thirty years in North Atlanta. I am still going strong and love every minute of it!

I've spent this time excelling in the real estate field, establishing a reputation as a well-respected and innovative Realtor/Agent and Appraiser. My business is built on communication, dedication, and transparency, and this recipe has helped me rise to the top in my field. With my sharp knowledge of the local market, I've helped over 500+ families find and sell their homes, and I am confident I can help you sell and buy yours, too.

I am a dedicated and knowledgeable Realtor offering the highest customer service, knowledge of the market and legal agreements, expert negotiation skills, marketing, and personalized guidance. I prioritize understanding my client's unique needs and goals and providing clear guidance through every step of the buying or selling process.

I hold several Appraiser and Real Estate designations, and just recently, I was awarded the Circle of Excellence award in 2022 and 2023, along with Top Sales Producer in the first and second quarters of 2024. My passion and desire for knowledge never cease. I love learning, growing,

and educating, and I make this part of my job every day so that I can help others.

Every client that I meet with is unique and has different Real Estate needs. Whether it's a growing family, a first-time homebuyer, a seasoned investor, or someone looking to downsize, I am here to help guide them through the process.

What sets me apart from my competition is that I educate my clients so that they can make informed decisions that best benefit them and their families. I surround myself with the top industry professionals, so my client will always be working with the best of the best from start to finish.

For most people, buying or selling property is the most significant investment they can make in their entire life. You need a Realtor you can trust who will put your needs first.

I don't want to do just one transaction with you; I want to get to know you and become your lifetime Realtor.

Let's turn your Real Estate goals into reality!

Please let me know if you or someone you know is looking for a Realtor. I would be honored to have the opportunity to meet with you and earn your business.
